About Me

Hello! I'm Krish. I'm a full stack developer with a degree in BCA. I specialize in building responsive and dynamic web applications using technologies like HTML, CSS, JavaScript, Bootstrap, React.js, Next.js, Node.js, Express.js, MongoDB. I completed my bachelor's degree (BCA) from Kadi Sarva Vishwavidyalaya University in Gandhinagar. With a strong interest in full stack development, I have gained hands-on experience in both front-end and back-end technologies.

My goal is to pursue a career as a Full Stack Developer in a reputed IT company where I can contribute to innovative and scalable web solutions. Thank you for your attention.
